Dear all,

You may have already seen this article (BELOW) about the potential expansion of the ACP into South Carolina. As you all know, this issue is something we raised in our meeting last month with you and your associates at the NC Attorney General's office last month Dec. 19, 2017.

Dan, thank you again, for arranging the meeting with our group that included of concerned citizens from eastern NC and indigenous representatives.

Kind regards,

Kay
